**The Three Dancers' Activity:
Move like us**

**with artist
Caitlin Howells**

You caught us in the middle of
a game of musical statues!

What will happen when the
music starts again?

Clear a space

Find wafty scarves, silky materials,
ribbons or paper strips to hold

Play some music you think we'd
like, or try the link below

All join in and dance, dance,
dance until the song ends!

Popcorn by Hot Butter is good for this activity!

How does music make your body move?

What shape will you make with your
body when the music stops?

What happens to your scarf or ribbon when
you move and when you stop?
