Online Family Sunday Treasuring the Outdoors Annie Brundrit and Genevieve Rudd

What do you treasure when you go outdoors? Think, make, and collect along with associate artists Genevieve Rudd and Annie Brundrit in a film made for Family Sunday in December 2020.

To join in, prepare a picture (drawing, printed photograph, or similar) of a view of the outdoors that you enjoy. This could be a view from a window in your house, or a sketch you did on a walk - anything goes... The picture needs to fill up a 21cm x 21cm square of paper, which is what you get if you cut 18cm off the end of an A4 sheet.
