Who lives in the Sculpture Park? What stories could they tell?

Make your own story book and perform your story with help from associate artists Hannelore Smith and Dot Howard. This film was made for Family Sunday in January 2021.

To join in:

Print out the second page of this PDF, which contains a few of the sculptures from our Sculpture Park to carefully cut out (you might want to make a couple of copies).

If you don't have a printer, you could try drawing your own sculptures on small pieces of paper. I wonder what they will look like? Where in the Sculpture Park will they live?

You'll also need:

An A3 piece of paper (this could be 2 pieces of copier paper stuck together)

Glue

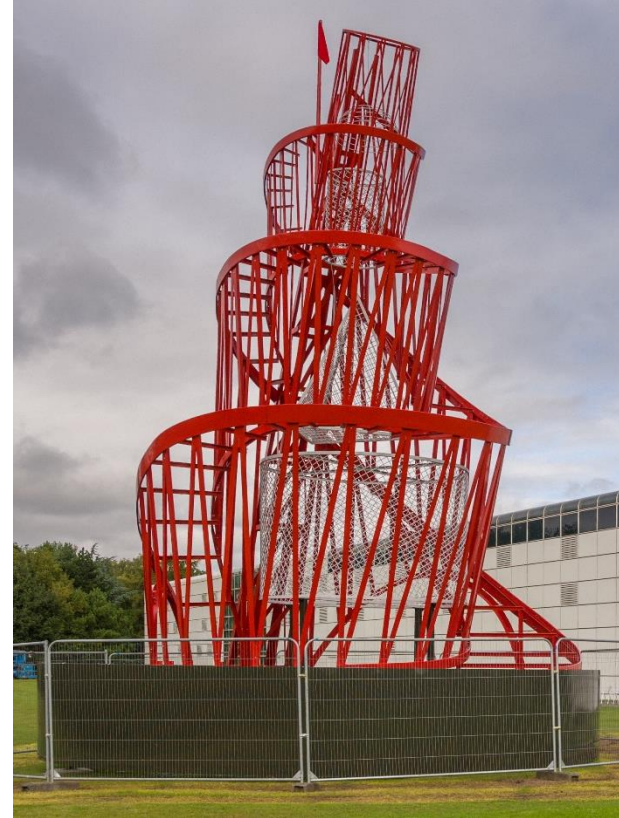

Scissors

A plastic ruler, comb, or similar, to press creases into paper

Scrap paper pieces

Crayons or pens

Then use this link to watch the film: <https://youtu.be/reVq5qfST8I>
