

WORKSHOP – Vessels

ARTIST – Kate Munro

YEAR GROUP – Key Stage 1 to 2+

DESCRIPTION

Kate Munro is offering workshops to extend the ideas which she has developed within her series of resources focussing on 10 vessels in the Sainsbury Centre's collections. Investigate, imagine, draw, and make, to develop pupils' questioning, vocabulary, curiosity and creativity. Experiment with playful and performative ways to respond to the shapes and forms you have seen, and your understanding of where the objects came from and how they may have been used. Select which of the vessels you would like to focus on during your session. Eg. When using Lucie Rie's white Bottle as a starting point, we will engage in a playful exploration of 3D Form, using tights and stockings to create temporary vessel forms to photograph.
