

WORKSHOP – Virtual Tours

ARTIST – Hannelore Smith

YEAR GROUP – Key Stage 2 to 5

DESCRIPTION

Take an active tour of our new Virtual Galleries with artist Hannelore Smith. We will be inviting and encouraging students to stop, look, think, draw and make along the way.

This exciting new virtual space allows you and your students to see how the main galleries at the Sainsbury Centre look, but without leaving your classroom. View the objects in 3D, and zoom in close, consider how the objects in the collections relate to those nearby.

SKILLS AND THEMATIC LINKS 3D forms, shape, materials, light and shadow

LOCATION Online

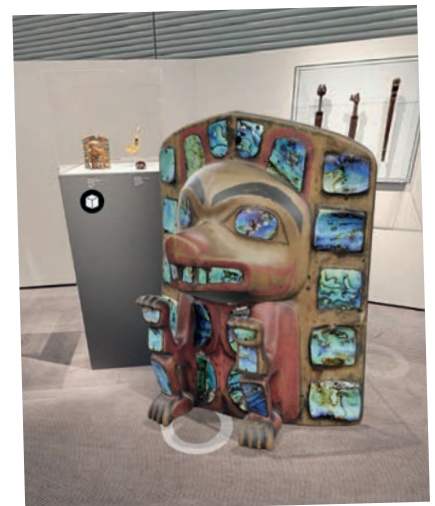

PRICES TBC

NOTES Each session accommodates up to 30 students

Our virtual gallery can be previewed here
